

GRATITUDE

Philanthropy at Sequoia Changes Lives and Saves Lives.

April 2013

Giving...

"We can't say enough wonderful things about Sequoia Hospital and its staff. Sequoia by far is the best. The doctors and nurses were phenomenal.

-A Grateful Patient

The Sequoia Hospital Foundation's Guardian Angel program offers grateful patients and their families the opportunity to honor a Sequoia caregiver with a gift to support the hospital's programs.

The Sequoia Hospital Foundation...

We are now just months from the opening of the New Sequoia Hospital. The excitement is palpable within the hospital's halls as plans for our opening events are already underway. While electrical and structural work is ongoing in some areas, painting and finishing work is progressing in others. Outside, landscaping is taking shape, revealing the beautiful hospital campus to come.

I want to take a moment to thank those who give to support our Foundation. Because of the partnership of our donors and our skilled caregivers, Sequoia Hospital has recently been named one of **America's 50 Best Hospitals** according to Healthgrades™, the nation's leading resource for comprehensive information about physicians and hospitals. This distinction places Sequoia in the **Top 1% of Hospitals in the Nation** for 2013 and is the result of eight years of superior and sustained clinical quality excellence and patient care.

As we celebrate Sequoia's achievements today and look forward to the new Sequoia Hospital of tomorrow, I invite you to consider planning for the hospital's future by including us in your estate planning. A planned gift is an excellent way to provide for the care of future generations in our community without parting with your valuable resources today.
