Philanthropy at Sequoia Changes Lives and Saves Lives.

NOVEMBER 2012

Giving...

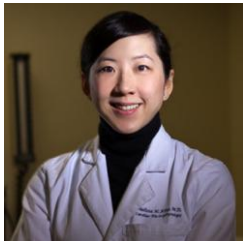

"We are celebrating this October the anniversary of my new hip. Because of you I have had a pain free year since the day of my operation. Your caring and skillful surgery has made life pleasant for me again."

-A Grateful Patient

The Sequoia Hospital Foundation is currently raising funds in support of Sequoia's Joint Replacement and Orthopedics program to be housed in the New Sequoia Hospital.

With the season of celebration drawing close, the Foundation is honored to gather with friends and donors to mark extraordinary community support and inspiring accomplishments. In early October, the Foundation held its annual reception to honor the 2012 recipients of the Dr. William Kennett Memorial Nursing Scholarship Program and the donors who made their awards possible. We are proud that over the past eight years the program has awarded 53 scholarships totaling more than \$540,000 and has made a significant investment in the future of care in our community.

Later this month we will gather again to celebrate our latest Sequoia Hospital Guardian Angels and the generous grateful patients who gave in their honor. To date more than 340 Sequoia caregivers have been recognized as Guardian Angels with nearly half a million dollars given in their honor.

Finally, please join me in celebrating the Sequoia Hospital Foundation's 30th Anniversary. Since our incorporation, the Foundation has raised approximately \$56 Million in community support for Sequoia Hospital! Thank you for your generous support.

JoAnn C. Kemist, President, Sequoia Hospital Foundation
